

CURRICULUM VITAE

Of

**HUMAYUN A. JAMIDAR, MD, BCH, BAO (Belfast), MRCP (UK),
FRCP (Edinburgh), FACC, FSCAI**

PRACTICE

July 1991 – Present Consultant Cardiologist at Cardiology Physicians
311 N Clyde Morris Blvd. Suite 320
Daytona Beach, FL 32114

HOSPITAL AFFILIATIONS

Halifax Medical Center, Daytona Beach, FL
Florida Hospital Memorial Medical Center, Daytona Beach, FL

MEDICAL SCHOOL AND PROFESSIONAL TRAINING

Current

1. Pacing and Interventional Cardiology Consultant, Electrophysiology, Nuclear Medicine, Halifax Medical Center, Daytona Beach and Florida Hospital, Ormond Beach.
2. Clinical Assistant Professor, Florida State University School of Medicine, Elective Director of Cardiology
3. Active Teacher in Family Medicine, American Academy of Family Physicians Halifax Hospital Residency
4. Director of the Echocardiography Lab Halifax Medical center
5. Member Credentials committee Halifax medical center
6. Principal Investigator for SPIRE Study, Pfizer Research Lipid Study SPIRE 1 Protocol B1481022
7. Principal Investigator for SPIRE Study, Pfizer Research Lipid Study SPIRE 2 Protocol B1481038

Former

1. President of Medical Staff, Halifax Medical Center, Daytona Beach, Florida 2008 – 2009

Research

1. Silent Atrial Fibrillation Detection with Stored EGM's (SAFE)
Principal Investigator– Atrial High Rate Episodes in Pacemaker Patients (AHIRATE).
2. Synergistics Effort of Risk Factors for Sudden Cardiac Death (SERF)
3. OptiVol Care Pathway Study sponsored by Medtronic, Inc.
(Nov 2010 to Jan 2011)
4. Selection AFm

5. Study for Atrial Fibrillation Reduction Investigation (SAFARI Trial)
6. Complete Automatic Pacing Threshold Utilization Recorded by En Pulse 2004
7. Principal Investigator for SPIRE Study 2016
8. Principal Investigator for SPIRE 2 Study 2016

Fellowship, July, 1988 – June, 1991

Cardiology Fellow, University of Oklahoma, HSC, Oklahoma City, Interventional (angioplasty) and Pacemaker Fellow, Transesophageal Echocardiography

Residency, July, 1986 – June, 1988

Internal Medicine Residency, St. Luke’s Hospital and St. Louis Regional Medical Center, St. Louis, Missouri

Fellowship, August, 1984 – June, 1986

Cardiology Fellow, (Acting Senior Registrar), Regional Cardiology Center, Royal Victoria University Hospital, United Kingdom

Residency, August, 1983 – July, 1984

Chief Resident (Registrar), Coleraine Hospital, Coleraine, United Kingdom

Residency, August, 1981 – July, 1983

Internal Medicine Residency, Royal Victoria University Hospital, Belfast, United Kingdom

Internship, August, 1980 – July, 1981

Rotating Internship, Royal Victoria University Hospital, Belfast, United Kingdom

Medical School, 1974 – 1980

Premed and Medical School, Queens University of Belfast, United Kingdom

MEDICAL LICENSURE

Florida

SPECIALTY BOARD STATUS

1984	Member of the Royal College of Physicians of the United Kingdom MRCP (UK)
1988	American Board of Internal Medicine Board Certification
1989	American Board of Internal Medicine: Cardiovascular Diseases Board Certification
1991	Member North American Society of Pacing and Electrophysiology (NASPE)

1992 Fellow of the American College of Cardiology (FACC)

PROFESSIONAL EXAMINATIONS

1980 Graduated, MB, BCh, BaO, The Queen's University of Belfast, United Kingdom

1984 Membership of the Royal College of Physicians of the United Kingdom MRCP (Internal Medicine)

1984, 1986 FMGEMS, FLEX

1988 American Board of Internal Medicine Certification

1989 Cardiovascular Diseases Board Certification

1991 North American Board of Pacing and Electrophysiology Exam

1999 Completed qualifications in Interventional Cardiology from American Board of Internal Medicine

2002 Nuclear Materials License

2002 Nuclear Certified, State of Florida

2009 *Recertification in Interventional Cardiology ABIM*

PROFESSIONAL SOCIETIES

Fellow of the Royal College of Physicians Edinburgh
Member American College of Physicians
Fellow American College of Cardiology
Volusia County Medical Society
Florida Medical Association
American Society of Internal Medicine
NASPE
Fellow of the Society of Cardiac Angiography and intervention

PRESENTATIONS

1. "Intravenous Nalbuphine vs. Diamorphine in Patients with Acute Myocardial Infarction". Royal Society of Medicine, Wimpole St. London, UK, May, 1986.
2. "Intravenous Nalbuphine vs. Diamorphine in Acute Myocardial Infarction". 10th World Congress of Cardiology, Washington, DC,

September, 1985.

3. Continuous Wave Doppler, Half Time Method of Assessment of Aortic Regurgitation, Resident and Intern Day, University of Oklahoma, 3rd Prize, July, 1989.
4. Continuous Wave Doppler Half Time Method, Assessment of Aortic Regurgitation; Jamidar, H.; Teague, S.M.; Oklahoma Scientific Meeting (vide infra).
5. Use of Head Up Tilt Test for the Management of Vasodepressor Syncope; Nayaran, R.; Jamidar, H.; Marple, J.; American College Of Physicians, Oklahoma Chapter, Fountainhead, Lake Eufala, Oklahoma, September 30, 1989.
6. Evaluation of Left Ventricular Function through Fourier Analysis of Ejection Pulse Shape; Teague, S.M.; Sun, A.; Jamidar, H.; Kakanis, P.; Niclou, R; Cheung, J.; American College of Cardiology, New Orleans, Louisiana, March, 1990.
7. Quantification of Aortic Regurgitation, Utilizing Continuous Wave Doppler Ultrasound Half Time; Jamidar, H.; Teague, S.M.; Voyles, W.F., American College of Cardiology, New Orleans, March, 1990.
8. Lilly Critical Care Cardiology Scholar, 1990, September, Chicago, Illinois, AJC (67:13:A27), 1991.
9. The Right Atrial Free Wall; An Alternative Pacing Site. North American Society of Pacing and Electrophysiology, Washington, D.C., June, 1991.

PUBLICATIONS
