Welcome to our practice. We are pleased you have decided to let us attend to your Cardiac Health. You have an appointment with Dr._____on _____. The amount you will be required to pay at the time of service is $_____. This could be due to your copay, coinsurance and/or deductible.

Records: Your primary care physician has either agreed to send us records or given records to you. If you have the records please either mail them or drop them by so we can make sure they include the test our doctors require. Please complete the forms in this packet before your visit and bring them with you.

Previous Cardiac History: If you have already seen a Cardiologist (either here or elsewhere) it is important that we have those records also. Please obtain them and send us a copy. We need reports of any echocardiograms, heart caths, PTCA's, stents, or bypass surgery you may have had.

Medicines: PLEASE BRING THE BOTTLES OF ALL MEDICINES YOU ARE CURRENTLY TAKING. Include vitamins, aspirin, and other over-the-counter medicines. Also list medicine on paperwork to follow.

Office Hours: We are open from 8:30 a.m. - 5:00 p.m. We see patients by appointment only.

Emergencies: One of our Cardiologists is always on call and available for emergencies or symptoms that require attention. Please do not call “after hours” or during lunch with routine questions or prescription requests.

Prescriptions: When possible, have your pharmacy fax (not call) a request for refills. We will process the request within 48 hours unless it is faxed on the weekend.

Communication: We try to get back to patients who call as soon as possible. We do, however, see patients in the hospital and office and to avoid running chronically behind with our appointments most non-emergent calls are not returned until late in the day. Test results will be available via the portal as soon as they have been reviewed by the physician. If you have an office visit scheduled within a week or so of the test the doctor will discuss the results with you in person at that time.

Cancellations/No Show Appointment: You will be charged a fee of $25 for a missed appointment if not canceled at least 24 hours in advance.

INSURANCE AND BILLING POLICIES

Due to the vast number of insurance companies and the complex rules and constant changes, we have prepared the following information to help you understand our polices.

If you have an insurance that requires an authorization for your office visit or any procedures, please make sure to contact your primary care physician prior to the visit so that we will not have to reschedule the appointment.

You are responsible for any co-payments or deductibles at the time of service. If your insurance company does not respond to the claim within 60 days the amount will be transferred to you for payment. It is your responsibility to contact your insurance company for payment (we will assist you if you have questions, however sometimes they will only pay once the patient has contacted them).

A $50 fee will be charged for any paperwork such as disability, etc. that must be prepared by our clinical staff.

Any Medical Records copied per your request will be charged at: $1.00 per page for the first 25 pages and then $.25 for each page thereafter.
We accept cash, local checks, VISA, MasterCard, and Discover Card. If you are unable to pay your balance in full, a payment schedule can be arranged with our insurance specialist.

We appreciate the opportunity to serve you and hope this information is helpful. If you have any questions please do not hesitate to ask us.
